

Welcome to Saskatoon Stamp Centre's Catalogue 618. We want to thank you for your interest in our offerings and we hope to reveal the stamps that will add pleasure to your collection. We have listed 200 Lots in this list starting with a superb 12d Black Plate Proof, a beautiful Proof of one of Canada's most desirable stamps. Among the many other early Canadian classics, a lovely 12½ cent blue Large Queen on soft white paper, (Lot 004) is another notable rarity that is also offered here. Looking for an outstanding centre-piece for your 1942-1943 War Issue collection? Pages 14 & 15 display a VF-SUPERB set of 1¢ to \$1 War Issue Large Die Proofs in colour of issue.

Collectors of Modern Errors and Varieties also have several excellent choices, including missing colours, printing and perf shifts, pre-printing paper creases, imperforates, and inverted inscriptions on both the \$1 Runnymede (Lot100) and \$2 Truro (Lot112). "But that's not all..." like the TV commercials often tell us. We have included a several Back of the Book, Newfoundland, and Canada-Revenue stamps including Embossed Revenue stamps from 1765, (Lot 165), a cool find indeed.

We hope you enjoy this list of early classics and modern errors. While some of the items we have to offer do command a higher price, Interest-free monthly terms can usually be arranged to fit your budget and secure the stamps for your collection. If you are still considering some of the great stamps we had on Special in our recent Sale Catalogue 616, give us a call or visit our website's Internet Specials to see which items are still available.
