

Welcome to Saskatoon Stamp Centre's Catalogue 619 featuring 196 Lots of Canadian Classics, Modern Varieties, Newfoundland and one unique major printing fold-over error from Spain. We don't normally handle foreign stamps, but occasionally, exceptional examples find their way into our stock. Our website Stamp Store also lists the few foreign stamps we have under the `Country` options.

This list offers a wide variety of material from die proofs and proofs to singles and blocks of stamps, (In many cases where a block is listed, we may also have singles and pairs in stock so please ask if you are specifically looking for a smaller item) We have also listed several dramatic modern errors as well as a nice selection of Canada-Revenue stamps.

Most of the stamps listed here are new to our stock and have not been advertised before. Some stamps in this list have been reduced in price (WAS) or are being offered for the first time at a SPECIAL price. If your purchase exceeds your monthly stamp budget, interest-free monthly terms can usually be arranged. We hope you enjoy this first list of summer.

****Important note to US Customers****

We have listed the US\$ exchange prices at 78%. If payment is made with a US\$ cheque, we will honour the prices listed. **If you are paying by credit card, we must charge your purchase in Canadian dollars** and when you receive your credit card bill, it will show the conversion of the Canadian dollar amount to your currency at the current rate used by the credit card company - this rate may vary considerably. We accept payment by Visa, MasterCard, cheque, bank wire transfer (in C\$, US\$ or £), or money order, (we cannot accept US Postal money orders or any Travellers Cheques).

HST residents will be charged the applicable Provincial portion of the tax, (ON, NB, NL, NS, PEI). Please call for exact amount.
