

Welcome to Saskatoon Stamp Centre's Catalogue 621. This autumn list features a nice selection of Canada, Canada-Revenue, British Columbia and Newfoundland stamps new to our stock. We also present a few choice literature titles on pages 12 and 13. If you would like to see our complete list of 60+ philatelic literature titles available, give us a call. All of our literature is also listed on our website Stamp Store under Philatelic Literature. Accompanying this catalogue are two advertisements featuring 1907 Saskatchewan Law Stamp errors and a recent acquisition of 2016 Canadian Computer Vending Postage Stamps.

Among the Early Classics, we have included a rare and beautiful Used Canada #31, (1¢ Brown Red on Laid Paper - Lot 033), and a Mint Canada #210aii, (2¢ New Brunswick Imperforate pair with the Closed Frameline variety - Lot 071) both pictured on the front cover. We have also listed several proofs from the First Cents Issue as well as some lovely 1897 Jubilee stamps. There are many excellent Modern Varieties available including two remarkable and rare missing colours pictured on the back cover; Canada #2052i var, (49¢ Golfers Missing Silver - Lot 134) and Canada #2081b, (85¢ Lily Missing Black - Lot 136).

Listed within the catalogue and featured on a separate sheet are John's collection of Saskatchewan Law Stamps with Inverted Centre Errors, (SL 1a) and Saskatchewan Law Stamps with the right value tablet reading "15" instead of "5" error (SL 1b). These are available individually or could be purchased as a set. Remember that interest-free monthly terms can usually be arranged if your purchase exceeds your monthly stamp budget. We hope you are enjoying time with your treasured collections this fall. Please enjoy this Autumn list.
