

Welcome to Saskatoon Stamp Centre's Catalogue #626. We hope you are enjoying your stamp collection during these hot summer days. It's nice to find a cool spot to relax and engage with a collection. So as you sort, identify, fill albums and create displays, we are here to help you acquire the stamps you are still wanting. We also aim to provide inspiration towards expanding your collection to broaden the story your collection tells. Proofs, Die Proofs, colour shades, varieties and errors all help to create a well-rounded story of a stamp, an Issue, or topic. Or perhaps you are looking for a showpiece item that will add further excitement or wonderment to your collection...

With that in mind, we offer you this list of 200 Lots of Canada, Canada-Revenue, New Brunswick, Newfoundland and Nova Scotia stamps. We have included lovely Pence stamps, Large and Small Queens including proofs and varieties, and some nice Admiral pieces including 3 different printings of the 50¢ in blocks of 4. Modern errors and varieties, both dramatic and subtle, include Imperforates, Missing Colours, Pre-printing paper creases, and several Printed on Gum stamps such as the 1¢ Macdonald single and blocks pictured on the back cover. The 1930 George V "Weights & Measures" Large Die Proofs pictured on pages 14 & 15 are an extremely rare set of 12 which would surely be a showpiece for a Canada-Revenue collection. We have also listed several Canada and Newfoundland "Officially Sealed" (OX) stamps and proofs which are beautifully engraved. We hope this list contributes to your collection in many satisfying ways.

Remember that interest-free monthly terms are available should you want to make a larger purchase and spread the payments out over time; just ask when you place your order. If you do not see the stamps you are looking for, make sure we have your Want List. All of our new stock is checked against your Want Lists before being advertised in our catalogues. We hope you enjoy this list.
