

Welcome to Saskatoon Stamp Centre's Catalogue #627 featuring 205 Lots of new material that we have bought and priced up over the last few months. We have been buying stamps with your Want Lists in mind, and we have listed several Early Classic singles from this new stock, some with varieties detailed with photo enlargements. 1897 Jubilees offered include a Showpiece \$1 Lake small die proof mounted on a large card - a printer's reference proof from the ABN Archives. This catalogue also includes a few notable covers such as Small Queen bisects on cover, and the recently announced 17th cover known with a Seaway Invert (pictured on the front cover). You will also find several items from a fantastic Canadian Error collection that we recently purchased, with many more of these to come in future catalogues. From yet another collection we purchased, we are offering Canada and Newfoundland OX stamps and proofs in singles and multiples, alongside a few more stamps from Newfoundland and British Columbia. We hope you enjoy this list.

Remember that interest-free monthly terms are available should you want to make a larger purchase and spread the payments out over time; just ask when you place your order. If you do not see the stamps you are looking for, make sure we have your Want List. All of our new stock is checked against your Want Lists before being advertised in our catalogues.

****Important note to US Customers****

We have listed the US\$ exchange prices at 77%. If payment is made with a US\$ cheque, we will honour the prices listed. **If you are paying by credit card, we must charge your purchase in Canadian dollars** and when you receive your credit card bill, it will show the conversion of the Canadian dollar amount to your currency at the current rate used by the credit card company - this rate may vary considerably.
