

Welcome to Saskatoon Stamp Centre's Catalogue #628. We have assembled 195 items for this list starting with Early Classics of Canada, and ending with some choice and rare British Columbia and Newfoundland stamps. The front cover features some nice Large Queens and 1897 Jubilee stamps as well as several choice British Columbia stamps which are seldom available. This catalogue also includes many early and modern errors and varieties from the McAndless Errors collection, which we acquired over the summer. These are indeed enjoyable as many are dramatic in appearance with ink smears, pre-printing creases, printing and perforation varieties. Also of note are a number of King George V and VI Stationery Trial Colour Die Proofs, (Lots 163-177), lovely items for the specialist in this area. First Day Covers, early booklets and Computer Vended stamp strips with errors are also listed and should be ordered early while still available.
