

Welcome to Saskatoon Stamp Centre's Catalogue #632. This list includes another great selection of Early and Modern Canada stamps. To start, Lot 002 is a lovely #10, Unused with a large part of the original gum! This would be outstanding in many collections and is so very rare in this condition. We have also included several more pieces from a 1935 collection we purchased this year, such as the printed on gum "reunited" blocks of 4 showing the full imprint, (Lot 066), Imperforate blocks and plate blocks, coils and die proofs. Also from the 1935 issue and listed here as Lots 071 & 072 is the desirable 10¢ Mountie with the "Broken Leg" variety - one in an early state and the other in a later state of the variety. These look very nice next to the "Hook on Horse's Rump" (or "Bird Cage" variety) offered in Lot 073.

Perhaps your collection would benefit from some beautiful Bluenose Plate Blocks or covers. These are another recent purchase we are happy to offer here as they are quite popular and are indeed one of Canada's most beautiful stamps. Lot 105, pictured on the back cover is a Used 5¢ St. Lawrence Seaway with the Inverted Centre error. This stamp is more rare in Used condition than mint and would also be a great showpiece for many collections.

Along with several modern varieties, we've listed some nice Stationery items such as a "Medallion" Proof Booklet, and two envelope Essays, (Lots 171-173), a VF NH 8¢ Dull Blue Registration stamp, (Lot 174), some J15-20 Postage Due imperforates and Die Proofs, (Lots 175-178), as well as a few great Canada-Revenue and Newfoundland stamps. We hope you enjoy this list.

We hope you are all safe and well during this COVID 19 summer. Have you been spending more time with your stamp collections? Are you thinking about future exhibits or updating your Want List? All of our new stock is checked against your Want Lists before being advertised in our catalogues. **Remember that interest-free monthly terms are available** should you want to make a larger purchase and spread the payments out over time; just ask when you place your order.

**\*\*Important note to US Customers\*\***
