

Welcome to Saskatoon Stamp Centre's Catalogue 636. While most of us are still waiting for our Covid 19 vaccinations to become available, here's a new list of Canadian and BNA stamps for you to peruse. This list of 201 items has lots of new stamps we haven't advertised here until now. Plus, there are a few items you may have seen before, but are now reduced in price! Our next catalogue, planned to be mailed in April, will also feature more stamps with reduced prices!

So lets have a quick look at some of the stamps offered here. The front cover is loaded with Early Classics including a couple of lovely used Pence stamps, #10 and #13, with decent cancels. These might be priced more than your monthly stamp budget allows, but remember that interest-free monthly terms are available if you want to spread the payments out over time. Just ask when you place your order.

One can't help notice the large 1\$ Admiral top margin block of 20 on the cover, which is a showpiece that would look outstanding next to an Imperforate pair! Yes, that's there too. Or, if you prefer the 1928 Scroll Issue, which includes the much loved Bluenose stamp, we offer a great set of Die Proofs for this issue - Lot 054. For those who enjoy the historical production of stamps, we offer a 1953 50¢ Textile issue ABN Production File - Lot 090. It's always interesting to see how stamps evolve and change during production.

If you are looking for modern errors and varieties, this list has several beauties, including imperforates, missing colours, tagging varieties, as well as printing and perforation errors. A number of Newfoundland, John Guy Issue Lithographed Imperforate Trial Colour Plate Proof singles from the Whitehead & Morris sheetlets of 4 are listed - interesting, rare, and seldom offered. And one last item I will note here is Lot 193 on the front cover - Newfoundland 160a 3¢ on 6¢ Grey Black with inverted red surcharge - only 75 printed! I hope it stars among your Newfoundland stamps. Of course there are so many other stamps here worth mentioning, but I'll let you get to perusing and choosing. We hope you enjoy this Catalogue.

If you do not see the stamps you are looking for, make sure we have your Want List. All of our new stock is checked against your Want Lists before being advertised in our catalogues.

**\*\*Important note to US Customers\*\***
