## Canadian & BNA Philatelic Literature

To help you expand your philatelic library and knowledge about your particular area of interest, we offer you this list of several titles of both technical reference books as well as non-technical works. Most of the books in this list are ONE ONLY and available on a first-to-order basis, so consider ordering quickly as you see any of interest. **As the cost of shipping books has increased dramatically over the last few of years, we have reduced prices on many titles in order to ease the transition from our bookshelf to yours.** This Literature List is arranged by title. These books are also available for purchase at our website, [www.saskatoonstamp.com](http://www.saskatoonstamp.com). If you have questions about any titles in this list, please give us a call or email us at [ssc@saskatoonstamp.com](mailto:ssc@saskatoonstamp.com).

**Payment:** We accept payment by cheque, money order, or bank wire transfer (in C\$, US\$ or £), Visa, or MasterCard, (we cannot accept US Postal money orders or Traveller's Cheques). When we charge your purchase to your Visa or MasterCard, we must do so in Canadian dollars. When you receive your credit card bill, it will show the conversion of the Canadian dollar amount to your currency at the current rate used by the credit card company. **Prices:** Prices are subject to change without notice. US conversions have been estimated at the exchange rate current at the time of printing, (.84)

### Postage is extra on all book orders.

Orders are sent by Expedited Parcel. Cases where the book(s) is lighter and less postage is required, we will adjust the shipping charges accordingly. In cases where a book is well above the average book weight, we may need to adjust postage up by a few dollars.

### Postage and Handling: Please add (minimum):

**Within Canada: 10% (min C\$20.00), To USA: 15% (min. US\$30.00), Overseas: 25% (min. C\$45.00).**

**Book condition:** Out of print titles may have some normal surface wear, cover creases, tears, or pencil/pen notations by former owners - call for full wear description, if desired. Dust jackets may or may not be present (where applicable) or be tattered, torn, or damaged due to age.
